**The Big Give
Kindervelt's Annual Gift To CCHMC**

For 39 years this check presentation to the hospital is the highlight and culmination of our fund raising year. In the early years of the organization the check was a few thousand dollars. We have seen it grow to an average of \$500,000.00. Kindervelt is the top fund raiser for Cincinnati Children's Medical Center. So ***Hats Off To The Women of Kindervelt!***
