*Logo color (embroidery thread color) can be just about any color. You can even use the color samples for the shirts and appliqué's if you would like.

Appliquéd two color "K" letter with the Kindervelt Kids embroidered on top. Personalization is done in embroidered script. You choose your sweatshirt color, two colors for the "K", one color for the kids. Personalization color is recommended to be the background of the "K" but will consider your choice if desired.

Appliquéd two color "Kindervelt Kids" with the word Kindervelt embroidered on with font as shown. Personalization embroidered in italic as shown. You choose your sweatshirt color, and then pick two colors for the logo specifying one for the kids and another for the background. Embroidery can be in either color.

Appliquéd two color "Kindervelt" word with the personalization embroidered in a script font as shown. You choose your sweatshirt color, and then pick two colors for the logo specifying one for the lettering and another for the background. Embroidery can be in either color but recommended to be in background color.
