

KINDERVELT of
Cincinnati Children's Hospital Medical Center

2011 Partnership Levels

The 2011 Kinderklaus Preview Party and Kinderklaus Markt
November 18th & 19th, 2011
Receptions Conference Center
10681 Loveland-Madeira Road
Loveland, OH 45140-8965

Benefiting: Cincinnati Children's Hospital Medical Center Division of Asthma Research

Audience: Kindervelt leaders and volunteers, business owners, civic volunteers, and hospital staff.

The Kindervelt Preview Party and Kinderklaus Markt is Kindervelt's annual signature event. Each November, for the past 35 years, Kindervelt has hosted this annual event. Kindervelt is the medical center's largest volunteer fundraising auxiliary. The organization is comprised of over 1,100 members in 41 neighborhood groups in the Tristate, touching a wide geography of people. Through the year 2011, the funds raised from this event will benefit the Division of Asthma Research. Asthma is the leading cause of school absenteeism due to chronic illness in Ohio. At Cincinnati Children's we see more than 3,000 children annually. "Our goal is to reduce hospital admissions by providing research-based care that is personalized to each child," says Arnold W. Strauss, chair of Pediatrics for Cincinnati Children's and director of the Cincinnati Children's Research Foundation.

Kindervelt is proud to partner with the Division of Asthma Research. Together, we will help change the outcome for millions of children with asthma.
