Happy New Year! I hope that you all enjoyed your holiday time with family and friends and are now rested and ready to begin a new year filled with promise.

This is the time of year to make New Year’s resolutions. One to consider this year is stepping up to take on a new role in our organization. This month starts the nomination process for the 2016 Market Chair-elect and the 2015-16 Board of Trustees. Please consider this in your long-term planning. Being a part of the BOT is a very rewarding and positive experience. We are always looking for fresh faces and new ideas to add perspective and input for Kindervelt. As an organization we need to constantly be looking at ourselves and challenging each other to go the extra mile. Think of challenging yourself by joining the Board of Trustees or consider leading our new Market for 2016. Please email or call Terri Mitsch, the nominating chair, or contact any board member or myself for information about serving. Your local group will also be looking to fill its slate of officers for the coming year, so please consider the many ways you may become involved.

The “Let the Good Times Bowl” committee is very excited to announce that Bahl & Gaynor Investment Counsel will be our Presenting Sponsor!! Bahl & Gaynor is an investment/financial planning company and longtime supporter of the medical center. The committee has been diligently putting in place the activities for team sign-up, sponsorships, raffles and door prizes. Please join us on February 28th at Axis Alley, Newport on the Levee for a fun filled day. I would like to challenge each group to spread the word about this citywide event and sign up at least one “team” from your friends and business contacts. Our goal is to fill up the lanes for both sessions with 100% participation from people interested in having fun while supporting Cincinnati Children’s and the Heart Institute.

The Barbara Fitch Committee is currently accepting nominations. The Barbara Fitch Award is presented at our Annual Meeting in May to an active member who has demonstrated special qualities and exceptional commitment to Kindervelt. If you would like to nominate a Kindervelt member you feel has demonstrated the spirit of this award the nominating forms are on line and in our newsletter. Vice president Stacy Durr-Stainton will answer any questions you have about the submission process.

As we begin the New Year, I hope it will be a healthy and rewarding one for each of you. For Kindervelt, please continue in your efforts to “raise funds while having fun”.

HealthWorks! Helps Brittany Battle Obesity

"She likes what she's seeing in herself"

At 12 years old, Brittany Ringer was outgrowing her jeans faster than her mom could buy new ones. The "too little" box of clothes was getting bigger by the week. Now, thanks to the HealthWorks! program at Cincinnati Children’s Hospital Medical Center, Brittany regularly digs through the too-little box to see what will fit her.

Brittany's parents, Thelma Ringer and Herbert Crutchfield, became concerned when they saw that Brittany's weight soared 25 pounds from one summer to the next. Thelma asked about it at Brittany's annual check-up. The doctor suggested the HealthWorks! program at Cincinnati Children’s. With Thelma being diabetic, the family thought it was a good idea to tackle the problem early.

"At first Brittany was a little reluctant because she didn't think she had a weight problem," says Thelma. "Now, you can't keep her away. She enjoys the program."

Making Healthier Choices to Overcome Weight Issues

Through HealthWorks!, Brittany is learning to make healthy choices both in what she eats and in her activity level. "She used to be a terrible junk eater," her mom says. "She wouldn't try to control what she eats. She was sneaking candy. I would find wrappers all over her room. We were really battling." Now Brittany eats more sensible portions and has taken an active role in planning her meals.

HealthWorks! has taught Brittany that she occasionally can indulge in treats such as pizza and potato chips, but to eat them in moderation. Instead of eating three slices of pizza, she'll have just one and will combine it with other healthy foods to fill her stomach.

"She's much more aware now," Thelma says, emphasizing that the family works together to help Brittany. "We cook together and plan our menus together." Brittany used to get snack money. She doesn't even ask for it anymore.

Getting Active

The family also has learned that physical activity is essential. "Before, we wouldn't make time for her to get out. Now we do," Thelma says.

Brittany exercises at least three times a week through HealthWorks!, and she plays basketball and soccer. She also enjoys riding her bike, scooter and in-line skates in her neighborhood. She and her parents make a conscious effort to carve out time for exercise.

Brittany is learning lessons at age 12 that she will be able to carry throughout her life. "I'm glad she was able to find something she could learn from," Thelma says, noting that she's seen an improvement in Brittany's attitude. "It's so important for kids to be healthy. And I think Brittany really likes what she's seeing in herself."

Everyone Wins

Described by her mom as outgoing and motivated, this straight A-B student certainly has no trouble keeping busy. When she's not sifting through her too-little box of clothes that are no longer too little, Brittany enjoys studying math and science. She also plays the tuba in the school band.
Now that there are fewer battles over food and clothes, life at home is becoming easier for everyone. "Brittany doesn't have to try on clothes every night to see what fits," Thelma says. "I was very frustrated; we were having a hard time."

So why has this program been such a success for Brittany? Her mom explains, "She likes to win at everything, and I think she wants to win at this." With less arguing and a healthier lifestyle for everyone, it seems as though the whole family is winning.

Brittany hops off of her bike for a quick photo with her dad. They and Brittany's mom all work together toward a healthy lifestyle.

Member Highlight

Ruth Wiley Kindervelt #56 and #78

Talking with Ruth for this profile was like walking down a memory lane. Ruth brings her southern background and engaging charm and puts it all out there in the most charming way. Ruth was born and grew up in Cynthiana, Ky. After high school she took herself off to Georgetown College in Georgetown, Ky. Her major was Home Economics and Early Childhood Development. These courses served her well over the years. She was recruited to come to Cincinnati in order to take a position in Pogue’s Department Store in Cincinnati as a Bridal Consultant. She married Dave (whom she met on a blind date) and settled into homemaking and community services. She and Dave are celebrating 53 years of marriage and have two children, Becky and David. Both of their families and grandchildren live very close by in the Anderson area. Family involvement in KV has always been a Wiley tradition.

Ruth’s early involvement with Kindervelt came through an invitation to join her neighborhood Pinehurst Group # 52 and later #72 Bloomfield Hills. She quickly could see how important it was to support KV and jumped in with both feet. She held most group positions and was president for more than one year! Those groups were very active – group 52 sold name badges, personalized KV canvas bags, and logo visors while group 72 held community carnivals, fashion shows, and their signature event- Lunch by the Bite. The group also sold our KV white pens, visors and badges as fundraisers. Now she shares her support between KV #56 and KV #78. She has a gift for artistic projects and can be counted on to share her talents with both groups. A bonus is that she loves to bake for the sales.

Her citywide involvement has been very inclusive as she has worked with many of our signature events, Liaison Leader, Nominating Committee, Secretary, and has held leadership roles on many project committees. She was Gala Chair for Sheila Maxwell’s Markt and she then took on the daunting position of Markt Chair where the theme was “Making Spirits Bright” in 2004. Following in Ruth’s footsteps her daughter Becky was Markt chair in 2007, with a theme of “For the Kids”. After such a successful stint as Markt chair, Ruth accepted the position of City President for 2006-2008.

Her community involvement includes membership in Parkside Church, membership in the Anderson Chamber of Commerce, being very active in her kids’ schools and sports activities as well as supporting Dave with his commitments. Ruth has brought her love of good family skills and educating children to fruition as she has owned and operated three Winnie the Pooh early childhood/care centers for over forty years. Ruth lives by this quote by James Ingallis, “The Surest Way to Succeed is to Try One More Time”. Thank you, Ruth, for your more than one more time, of successful involvement with Kindervelt! We are most grateful.
The Barbara Fitch Award

Dear Members,

In 2005, the Kindervelt Board of Trustees was looking for a way to recognize individuals who exhibit an enthusiasm and positive attitude toward the goals of the organization. Thus, the Barbara Fitch Award was created. This annual award was named for one of our founding members who has since become a prominent supporter of Kindervelt and the needs of Cincinnati Children’s Hospital Medical Center.

The Barbara Fitch Award committee is responsible for the selection of the recipient. This committee is comprised of five Kindervelt members including; the City Vice President who serves as Chair, the Immediate Past President, the Immediate Past Market Chair, and two at-large members. After all qualified nominations are reviewed and a decision made, the nominator will be contacted to ensure the recipient, along with friends and family, attend the Kindervelt Annual Meeting where the award is presented.

The committee is looking for an exemplary individual to honor, so please consider any current Kindervelt member for nomination! This person should be dedicated and committed; one who is an ambassador for Kindervelt in the community, who is an active contributor to her local group, and who gladly gives her time, talents and energy to promote our cause. The nominee should represent the true spirit of charity as well as embody the mantra "others before self".

If you know of an outstanding Kindervelt member who personifies these characteristics, please submit the attached Barbara Fitch Award Nomination Form no later than April 25, 2015. In order to give a complete understanding of your nominee’s qualifications, I encourage you to be explicit and submit feedback from multiple members to support your nomination. And as a reminder, this is a confidential process and the announcement of the winner is kept a surprise.

Thank you

A SWEET SIXTEENTH YEAR
FOR KINDERVELT #8’S NORTH POLE EXPRESS

On November 22, 2014, nearly 1800 excited passengers, dozens of teen and adult volunteers and the members of Kindervelt #8 all helped make this sixteenth running of the North Pole Express from the Lebanon train depot a memorable event.

The riders ranged from families of two to many more, including a large church group of women “of a certain age” and an entire car reserved by families with children with special needs. Some grandparents were back for at least their tenth year, and one former volunteer was here with her own children.

At the depot area, the two lively bear mascots were quite popular with the kiddies, and parents appreciated various props ideal for family photo ops. The passengers enjoyed the complimentary cookies, generously provided by Kroger, and many children made use of the letter writing station with its direct-to-Santa mailbox.

Aboard the train, each car was, in effect, its own 45 minute party. The “Reader,” acting as the host, welcomed all, thanked our generous sponsors, and read the book that inspired it all, The Polar Express. Her cheery assistants, high schoolers or college-aged “Elves,” added to the energy of the car, taking photos and leading robust holiday songs. A jingle of bells indicated the entry of each car’s own personal Santa, who had time to spend with each individual child, sometimes signing their copy of the famous book.

And behind all this good family fun was the good feeling generated by the knowledge that every ticket purchased contributed to Cincinnati Children’s Heart Institute: the Kindervelt Neurodevelopmental and Educational Clinic.

So it was a win-win situation for all! We look forward to Year Seventeen’s ride on Saturday, November 21, 2015. PLEASE JOIN US!

The two bears were enormously popular! Youth volunteers were priceless!

Each child had the opportunity to visit with Santa during the ride.
