Below is a letter that I received on behalf of the entire Kindervelt membership. This letter from the Heart Institute shows how much all of your hard work is appreciated. I am so proud to be a member of this organization and to be able to work with all of you.

I hope everyone is having a wonderful summer. I can’t believe it is August already. Time seems to go so fast these days. Make sure you take time to enjoy each and every day.

Even though Kindervelt takes a “break” for the summer months, we still have some very important fundraising going on. I implore you to take some time to participate in these events. There is more information in this newsletter on how to participate in each one of these events. Encourage your friends and family to support us, too.

**Bleed for a Cause** is going on right now. It began July 18 and runs through August 13. Kindervelt #76 of Terrace Park has organized this for the second year. Last year we came in third place with 155 donors. The winner only had 266. If we all get out there and donate blood, we could win $10,000 for Cincinnati Children’s. Even if we don’t win, it is still a very valuable act to donate blood to Hoxworth. You could be saving a life.

The **Western & Southern Tennis Tournament** is coming up August 13-21. Kindervelt members and families and friends sell programs at the tournament and receive 15% back on their sales. All money made is given to the group that the volunteer belongs to. This is a really fun event, and you get to watch some fantastic tennis.

**Macy’s Shop for a Cause** will be August 26-28 at all Macy’s stores. The Kindervelt Krafts committee will be selling tickets to this for $5. This ticket gets you 25% off most everything for 3 days!

Kindervelt Krafts is looking for workers for **Homefest 2016**. The dates needed are August 13,14,17,18,19,20,21,24,25,26,27,28. There is a link in this newsletter to sign up. Workers will get paid $10 an hour, which will go to Kindervelt Krafts. Take a friend or your spouse and make a day of it. You might even pick up a few decorating ideas.

Again, I want to thank you for being a part of Kindervelt. There is so much satisfaction gained from the work we do. It is healthy for our souls to do for others and that is what Kindervelt is all about.

Enjoy the rest of your summer!

Tracy Smith
Kindervelt City President

“Remember that the happiest people are not those getting more, but those giving more.” H. Jackson Brown Jr.
We all want our children to grow, thrive and live their best lives possible. And yet, nationally, the reality is that 1 in 5 children ages 13-18 have or will have a serious mental illness that affects their personal growth and ability to thrive. And data suggests the prevalence of these mental health conditions in youth are increasing.

Cincinnati is not immune to the nation’s mental health crisis. Each day Cincinnati Children’s sees roughly 230 children in need of outpatient visits for mental and behavioral health issues and treats children in its 131 beds dedicated for psychiatric mental health care.

Cincinnati Children’s has one of the busiest pediatric emergency departments in the United States, with an average of 20 children a day arriving to the hospital due to a mental health emergency. In the past year alone, this number has peaked at more than 50 children a day.

The emergency department can already be a scary and unfamiliar place – and for a child in need of psychiatric evaluation, it can add stress and chaos to an already fragile mental state. As the number of children and teens with psychiatric emergencies continues to grow, there’s an increasing need for designated space and resources within the emergency department to care for our patients and families experiencing a mental health crisis.

The Kindervelt Psychiatric Emergency Assessment Center (KV PEAC) is intended to improve the comprehensive assessment, care and support of our mental health patients in these emergency situations.

Renovations will create a dedicated space for patients and their families to seek immediate care and mental health support. With six private beds, families will have a quiet space to receive care and make decisions in a calming and safe environment.

Funding for KV PEAC will also help support a comprehensive team of registered nurses, mental health specialists, and patient care assistants, and allow for the time needed to evaluate the child’s mental health and carefully determine care plans with family members, ensuring the best possible decision on next steps for patient care.

We are thrilled that Kindervelt has chosen to support the mental health needs of our community and thank you for helping our patients and families find peace, calm, reassurance and support during psychiatric emergencies.
I hope everyone is enjoying their summer. On these hot, summer nights I hope you are krafting some items for Kindervelt Krafts. Some important dates to remember are: September 16th this will be our Kraft Rep meeting. It will be in room S3.125 from 9:30 to 11:30. All information on the Kraft show at the hospital (October 4th) and our big Kraft Show at St. Mary’s (in Hyde Park November 5th) will be given out. We will be selling our Baked goods at these shows also. If you have any questions please send me an email or give me a call. Our Committee is excited and can’t wait for Kindervelt’s newest Citywide Kraft Show.

Please help Kindervelt Krafts with a summer fundraiser. Burks Builders, Inc. will donate $10/hour per volunteer to serve as greeters at their homes for the Crestview Homefest in Northern Kentucky in August. They need 9 volunteers for every shift, so we could earn a lot for CCHMC! Sign up for multiple sessions if you can. For groups that don’t make crafts this would be a great way to contribute. Invite family and friends to help out too! The Homefest is easy to get to off I-275 and close to Crestview Hills Town Center so you could get a bite to eat and/or shop before or after your shift. It’s EASY money, so do your part and help us fill these spots! Plus, you’ll get to see all the beautiful homes!

Go to http://signup.com/go/suTfFg to sign up contact Katrina Smith at ns smith1@cinci.rr.com or 513-505-3243.

August 26 through August 28, Macy’s will host its 11th annual Shop For A Cause benefiting charities nationwide. Since 2006, Shop For A Cause has raised more than $47 Million for charities across the country. Be part of the excitement!

The Kindervelt Krafts Committee will be selling tickets to Shop for a Cause. For $5 you get a weekend shopping pass discount of 25% throughout the store on an assortment of regular, sale and clearance merchandise and 10% on electronics, watches, furniture, mattresses and rugs/floor coverings.

Kindervelt #76 needs your help and your blood, plasma & platelets to win this year's Hoxworth "Bleed for a Cause" Blood drive contest. The 2016 campaign will be held **July 18 thru August 13**. - Plasma Donation = 1 point
- Platelet donation = 3 points
- New donor = 2 point bonus

Second Story Auctions

Kindervelt has joined with Second Story Auctions to raise funds for our new commitment to the Division of Child and Adolescent Psychiatry. If you are downsizing, redecorating, moving (or know someone who is), or are a fan of Marie Kondo and her Life-Changing Magic of Tidying, please donate those items that no longer work for you. We will be collecting donations through September. Give a new life, a second story, to the furniture, artwork, jewelry, accessories, collectibles or other home goods that no longer work for you!

Second Story Auctions has created an auction that will carry the Kindervelt name, selling the items that have been donated to us. So we need lots of quality donations!! If you visit the Second Story Auctions website (https://www.secondstoryauctions.com/), you can visit their archived auctions to see what kind of items are normally found in an auction. [When you click on the Browse button, you’ll see a button for “See all auctions”.] While you are there, go ahead and register as a bidder because you never know what you might find!
