When a child breaks a bone or has chronic ear infections, there is a clear and standard course of treatment that care providers can prescribe. However, when a child faces mental health issues, there is no “one-size-fits-all” approach to healing and wellness.

Behavioral experts have found many types of experiential therapies can help a child through his or her psychiatric diagnosis. One of the most successful has proven to be animal therapy, specifically horses which can have a calming and therapeutic effect for children with behavioral and psychological challenges. This type of therapy is known specifically as equine facilitated learning (EFL) and The Division of Child and Adolescent Psychiatry at Cincinnati Children’s has developed an EFL program for our children admitted into our Residential Treatment Center struggling with mental and behavioral issues.

The EFL program began in 2004, partnering both a Certified Therapeutic Recreation Specialist (CTRS) and an equine expert. Through the years, Cincinnati Children’s has added a small barn and riding arena on our College Hill Campus. This on-site presence allows children who may not be safely transported in our community the opportunity to engage and benefit from this fantastic program. Children meet with a CTRS and a horse expert twice a week for six weeks as they work side by side to build their skill with their horse and confidence in themselves. In the beginning the therapy focuses on building a relationship with the horse through grooming and basic ground work. By the end of the six weeks the kids have the opportunity to ride their horse and even participate in a trail ride.

Through the course of this program, kids gain insight into their own situations by discussing their feelings and behaviors while working with the horses. The intent is to apply those learnings to other areas of life. Non-verbal communication, assertiveness, creative thinking, problem solving and leadership are among the many skills participants develop throughout the course of program. As one of our patients shared following a session, “It’s pretty hard to not feel important when you are on a top of a horse”.

The program’s primary focus is utilizing an alternative treatment that improves self-esteem, builds healthy relationships and teaches effective communication with an emphasis on being assertive. In the beginning, kids are often hesitant, anxious, and scared; by the end they are confidently riding, showing off their newly acquired skills to their friends, family and our staff. From a program “graduate”: “I walked into the program being terrified of horses, and I thought I was going to get hurt, but horse therapy has been one of the most helpful things since I’ve been here.”

Many of the kids in the program form special bonds with their horse, and begin to identify similarities and differences that exist in their relationships with significant people in their lives – and apply those realizations. One patient shared this sentiment, “I learned that you have to build trust with your horse by not giving up on it.”

Anecdotally all of those who are involved in this program believe that we are properly using these resources to improve the outcomes in the children and families we serve. To provide objective evidence, Cincinnati Children’s has initiated pre and post program outcome measurements to further validate this program’s impact. While it is still early in that data collection, initial cohorts show an average improvement in participants’ self-esteem score of 58%!

We are proud of the work we do and are motivated to continue our work through this EFL program. We look forward to continuing to measure our progress– one child at a time– and are excited by the potential implications this program has in improving the mental health for our children and the functioning of our families.
From the President

Winter is coming to an end and Kindervelt events are popping up all over the calendar. There are fashion shows, luncheons, bunkos, bingos, candy sales, and much more. I am really excited to attend a lot of these events. Check out the Upcoming Events page to choose which ones you’d like to attend.

I’d like to congratulate Char McBrayer and the Let the Good Times Bowl committee for a very successful bowling event. A great time was had by all.

By now, I hope you have all received the letter and survey regarding our membership evaluation. The Membership Committee and the Kindervelt Board of Trustees have been discussing possible changes to the operations of Kindervelt to keep it one of the premier non-profits of the Cincinnati area. If you have not yet submitted the completed survey, please take a couple of minutes to do so. We want input from the entire membership to make the best decisions that will benefit all members. If you did not receive the survey, please let me know and I will make sure you get it.

I also strongly encourage you to consider holding a position on a citywide level. If you’ve been wanting to get more involved in Kindervelt and take it to the next level, Mary Anne Stenger and the Nominating Committee are currently taking nominations for next year’s Board of Trustees, Gala Chair and Chair-elect, KV Kraft Chair-elect, and Let the Good Times Bowl Chair-elect. There is a variety of positions available that are suitable for all interests. I have found it a very rewarding experience and I think you will, too. If you interested, please contact Mary Anne or me and we can discuss the possibilities.

Thank you for all you do for Kindervelt. You are greatly appreciated.

THE BARBARA FITCH AWARD

Dear Members,

In 2005, the Kindervelt Board of Trustees was looking for a way to recognize individuals who exhibit an enthusiasm and positive attitude toward the goals of the organization. Thus, the Barbara Fitch Award was created. This annual award was named for one of our founding members who has since become a prominent supporter of Kindervelt and the needs of Cincinnati Children’s Hospital Medical Center.

The Barbara Fitch Award committee is responsible for the selection of the recipient. This committee is comprised of five Kindervelt members including; the City-Wide Vice President who serves as Chair, the Immediate Past President, the Immediate Past Gala Chair, the immediate past Kraft Chair, the immediate past Let the Good Times Bowl Chair, and two at-large members. After all qualified nominations are reviewed and a decision made, the nominator will be contacted to ensure the recipient, along with friends and family, attend the Kindervelt Annual Meeting where the award is presented.

The committee is looking for an exemplary individual to honor, so please consider any current Kindervelt member for nomination! This person should be dedicated and committed; one who is an ambassador for Kindervelt in the community, who is an active contributor to her local group, and who gladly gives her time, talents and energy to promote our cause. The nominee should represent the true spirit of charity as well as embody the mantra "others before self".

If you know of an outstanding Kindervelt member who personifies these characteristics, please submit the on line nomination form no later than April 21, 2017. In order to give a complete understanding of your nominee’s qualifications, I encourage you to be explicit and submit feedback from multiple members to support your nomination. And as a reminder, this is a confidential process and the announcement of the winner is kept a surprise.

Thank you,

“Let the Good Times Bowl”

Saturday, February 25th Kindervelt hosted another successful citywide event. The 5th Annual “Let the Good Times Bowl” was held at Axis Alley on the Levee. Bowlers enjoyed a fun atmosphere of friendly competitive bowling during the two sessions from 3-5 and 6-8. Thank you to everyone who participated in the event and support Kindervelt Psychiatric Emergency Assessment Center – KVPEACE at Cincinnati Children’s.

Trophies were awarded to our major sponsors, which include; Bahl & Gaynor Investment Counsel-Spare Sponsor ($5,000), Phototype-Hook Sponsor ($1,000), and Axia Consulting-Hook Sponsor ($1,000).

Trophies were awarded to the high and low average score at each session. Session One; High Average-Axia Consulting and Low Average –Psychiatry Team 1. Second Session; High Average- Kao Collins Inkjet and Low Average – Psychiatry Team.

Our trophies are created by Cincinnati Children’s Champion Kids comprised of children that have spent time at Cincinnati Children’s with a health issue. Each year the bowling committee is given bowling pins from Axis Alley and the Champion Kids paint each pin at a special party planned by the Medical Center. Bases are made and labels created. The pins then become the trophies to present each year at the event.

Split-the-Pot raffle was planned for each session. The winner for session one was Lashanda Wright, she bowled with the Physiatric Department and won $87.00. The winner session two was Dan Nelson; he bowled with the Physiatric Department also and won $209.00. Dan donated his split back to Kindervelt. Thank you and congratulations to both winners.

The eight raffle packages offered were well received. Ticket sales were high and we had very excited winners at the end of the evening. The winners were:

Having Fun While Raising Funds…

KV #22 - On Friday the 17th we hosted our annual Chili Cookoff at the home of Kathy and Brian Roth. Jackie Kirkpatrick’s chili, called "BABE-licious" Succulent Pork Chili, was the winner. KV22 will net around $900 from the activities at the event! In addition to an apron, Jackie received a $25 gift card to Pipkin’s. There were also a $25 certificate donated by Chili’s restaurant and a gift basket from Fresh Thyme that went to the winners of a chili trivia game and a guess-the-number-of-kidney-beans contest. The Roths were SUCH wonderful hosts, and a big thank-you to the chili chefs and our co-chairs, Perri Schenker and Kate Moody!! We had a great variety of chilis, from traditional to vegetarian to Caribbean style to West African, each one more delicious than the next!

Liaison #4 - We wish to thank Dream Dinners Anderson for providing the fundraiser opportunity on February 6-8. It was a fun time raising funds for CCHMC and everyone got to go home with some nice meals! Thanks to all the Kindervelt members all over the city for supporting our event. It was very successful!!

KV #19 - The ladies of Kindervelt #19 continue preparations for our annual fundraiser: “Lunch at the Links.” This year’s event will be held on Saturday, April 29 with a theme of “New York, New York”. We look forward to welcoming over 120 women to the newly-renovated Heritage Club clubhouse to enjoy a lunch, silent auction, raffles, and more. If you would like to join us, please contact Jackie Clough (jjclough86@gmail.com).
2017 Men’s College Basketball is about half way through the regular season. Teams are making their move to position themselves for league play and hoping to improve their records for an invitation to the main event “The NCAA Tournament”.

This year, the 2017 March Madness College Basketball Bracket Tournament will be sponsored by KV#8. Participation is $20 per person. Everyone is welcome to play. A person can have a maximum of three entries at $20 for each entry. KV members, family, friends, co-workers, anyone with $20 that would like to support KV PEACe. The more that participate the bigger the pot for the winner and more $$ for Kindervelt. The proceeds will be split 70% for Kindervelt and 30% to the winner. CBSSports.com will be the host site again this year to fill out the bracket and track the results. Last year, Kindervelt earned $640!!!

Our goal this year is $1000 for KV#8  $440 for the winner (72 participants @$20 = $1440)

Additional information will be sent in late February/early March for registration and league rules.
