Jim Papp based his presentation on how Cincinnati Children’s Hospital Medical Center was able to move from #3 to #2 in the U.S. News and World Reports rankings for Children’s Hospitals. He used his booming “Shakespearian Stage Voice” to enlighten us. He began with a short video highlighting “#2 in the nation because we put KIDS FIRST”. What a powerful statement! He focused his talk on three concepts:

#1. An overview of their work:

The Anderson Center serves the hospital community in a behind the scenes manner. They are like the “stage crew” and what they do allows the people on the stage to do their best. The Center is a catalyst for improving children’s health, much like Kindervelt is as an organization. Avedis Donabedian, was a physician and founder of the study of quality in health care and medical outcomes research. Jim Papp shared a famous Donabedian quote: “Ultimately, the secret of quality is love. If you have love, you can then work backward to monitor and improve the system.”

Alesa Hamilton spoke briefly about their model for improvement. They ask: What are we trying to accomplish? How will we know that a change is an improvement? What change can we make that will result in and improvement? They use the PDSA cycle - Plan, Do, Study, Act.

#2. Review of the U.S. News Rankings

Of the approximately 225-250 Children’s Hospitals in the nation, 189 submitted entries for the rankings. The application includes 1100 questions (measures) broken down in three areas: structure, process and outcomes. It is a complex process. By “focusing on the measures that matter and staying the course”, they were able to change the outcome. They were ranked #7 in 2007, but opted to “Be the Best at Getting Better!” They put kids first which is why we all are here. Cincinnati Children’s was ranked in the top 10 in all 10 specialty areas. There are probably 15, 514 (number of Cincinnati Children’s employees) reasons for the improvement. Groups like Kindervelt are an added plus in working together to support the outcome.

#3 Sharing examples of how Kindervelt supports the outcome:

Jim Papp did research on the Kindervelt website (Thank You to Mary Beth Young Webmaster) and was amazed at our $18 million contribution to Cincinnati Children’s since 1971, which shows the passion of Kindervelt members. He sited several specific areas where Kindervelt definitely impacted some of the “structure” measures used in the rankings: The Division of Asthma Research, The Heart Institute- Kindervelt Neurodevelopmental Clinic and our work with mental health in KV PEACe.

The presentation concluded with a lively question and answer session.

November marks the beginning of the holiday season in which we give thanks for family, friends and all of life’s bounty. I am so thankful for all of you. I appreciate your dedication to Kindervelt and your continuous support.

We are off to a great start of our fundraising year.

The Kindervelt Let the Mask Fall Ball was a blast! DJ Vinny kept everyone entertained and The Phoenix served us a delicious dinner. The animal encounters provided a unique and amusing experience. Blueberry (the Penguin) was a huge hit as she put on quite a show! Thank you to Tracy Smith for a wonderful job. Thank you to all the Kindervelt members who supported our largest city-wide event.

The fall Kindervelt Krafts on October 2 at Cincinnati Children’s Hospital was enjoyed by the employees, patients and families. The crafters had an abundance of holiday crafts, while the Kindervelt bakers supplied loads of delicious treats. Diana Peters and her committee are looking forward to November 10 for the Kindervelt Krafts at Princeton High School Viking Village. Thank you to all of the groups that have put in endless hours crafting and baking for these events.

At our first Member Meeting, Jim Papp and Alesa Hamilton were outstanding speakers as they discussed how Cincinnati Children’s Hospital moved into the #2 spot. It was so nice of Jim to research how Kindervelt has helped to improve the ranking in the divisions they have supported. The Red Cross Building provided us with a wonderful venue. I hope everyone enjoyed the evening. Mark your calendars for Tuesday, January 22, 2019 for the next Kindervelt Members Meeting. This meeting will be held at Arhaus Furniture in Kenwood Towne Center. I know you will find the information presented extremely valuable. Stay tuned!

Have a wonderful Thanksgiving,

Bonnie Hueneman

How beautiful a day can be when kindness touches it! – George Elliston
This past Friday evening at The Newport Aquarium people dressed in their finest and attended “Let the Mask Fall Ball”. The dollars raised will provide patients and families with access to psychiatric care in an inviting and welcoming fashion through the PIRC Bridge Clinic. But are you aware that your support does more than just raising dollars for Psychiatry? Each of you impact the lives of people who have a mental illness by raising awareness. Persons living with a mental illness often wear a “mask” to hide behind as they dare not let anyone know that they have this brain disease. They hide behind the “mask” because they do not want to experience the stigma that comes with this disease. Your efforts and hard work help to raise awareness to dispel the myths that perpetuates stigma. With every gala, bake sale, craft show or royal wedding party, you make it possible for persons living with a mental illness to let their “mask fall”, allowing them to live with acceptance and understanding.

Congratulations to Jim Duffy, winner of KV #68 "Bucket of Cheer" Raffle.

Thank you to KV #68 member, Bev Rainier, for selling "Bucket of Cheer" chances the night of the Fall Ball.

KV #68 had a great turn out at the Fall City Wide Membership Meeting. Thank you for helping with set-up, appetizers,

Volunteers are needed to work at the Evergreen Kindervelt Gift Shop. No experience necessary. It’s easy and fun! You can volunteer as little as 2 hours/month, or do more if you wish. The shop is open Monday-Thursday 11:30 a.m.-1:30 p.m. and on Fridays from 11:30 a.m.-3:30 p.m. You pick dates that work for you. Several Kindervelt ladies work there and really enjoy it.

October 7-13th was National Mental Illness Awareness Week. The Ladies of KV #50 joined the National Alliance of Mental Illness effort to #curestigma by publicly talking about mental health and posting on our group’s and members’ social media accounts. Stigma creates an environment of shame, fear and silence; and in some cases, it takes lives. Talking about mental health can give the freedom to seek help, find people who can relate, and more toward well-being. Let’s talk about mental health!

Special recognition goes to Deb Clerc and Jackie Kirkpatrick for running a successful W&S Tennis Volunteer Team! A shout out also to the FULL time W&S Volunteers, Teresa & Ron Hoying, who are there daily with coordinating the program sales! Thanks KV22 for your continued dedication to CCHMC and our community!
