We have so much to be thankful for...

- A successful Fall Event, chaired by the tireless Tracy Smith and her committee, supported by many of our members...thank you!

- Creative ways to ensure we can still safely hold our upcoming KV Krafts at Seton High School for all of our hard working crafting groups...thank you!

- A guest appearance at our Leadership meeting from Dr. Erika Stalets educating us on our new division; we appreciate her sharing some time from her busy day..thank you!

- Groups being relentless in finding ways to continue our fundraising...thank you!

- Zoom, for keeping us connected now that colder weather limits our outdoor meetings...thank you!

- A Critical Care Division and PICU at CCHMC that lead the way in caring for the sickest children—it’s an honor supporting such an important care facility for our community...thank you!

- The excitement the doctors and staff are sharing about the new Critical Care Building as construction continues, and that we are a part of this incredible endeavor...thank you!

Thankful, grateful, blessed.

Happy November! Have a safe and Happy Thanksgiving!

Katrina Smith
Kindervelt City President
Critical Care Tower

Excitement builds as the construction continues on the Critical Care Building. The PICU rooms are starting to come together. What an honor for Kindervelt to support this important expansion project allowing the experts to continue providing the best care possible for the sickest kids.
