

Dear Partner in Hope:

Cincinnati Children's Hospital and Medical Center (CCHMC) is one of the busiest pediatric hospitals in the nation, serving families from all 50 states and 58 countries. Many patients spend time in the pediatric intensive care unit (PICU) as they recover from severe injuries, complex procedures, or critical illness. To better meet the needs of every family relying on them, Cincinnati Children's launched its largest ever expansion project: The Critical Care Building (CCB). The new PICU, housed within the CCB, will allow their experts to continue providing the best care for the sickest most fragile kids.

**Kindervelt, an all-volunteer auxiliary of CCHMC is honored to support the needs of these critically ill and injured children by raising funds for the new pediatric intensive care unit.** On Friday, November 4, 2022, Kindervelt will be hosting Laughter...The Best Medicine, an evening of dinner, auction, and comedy at the Jewish Community Center in Cincinnati. It is our hope that you will partner with us on this fun evening.

**Your support is essential to us. Sponsorship opportunities are available and are outlined on the next page and include all monetary levels. A donation of product, service, or gift certificate are also highly appreciated. Please be sure to send donations no later than October 1, 2022, so you can be properly recognized.**

With support from our community, we're working to help Cincinnati Children's provide not only the best possible care but to deliver hope to the kids and families who need it most. Together, we can make a difference.

For more information, contact Kimberly Lucken at [kvfalleventchair@kindervelt.org](mailto:kvfalleventchair@kindervelt.org) 513-708-1932.

Sincerely,

Kindervelt Member
